

Jaspreet Singh

Tech Rider and Requirement

- 1) One Good Quality corded mic with a backup mic at the console. The speakers should be placed properly across the room so that sound is audible to all.
- 2) A stage minimum 6X4 in size ideally 1 foot raised
- 3) Well lit Stage with a dim lit audience seating area
- 4) Indoor setup preferable with theatre style seating
- 5) Bar and Kitchen closed during the performance. We need to make adequate announcements before the show starts
- 6) No Videography of the event allowed. Photography can be done.
- 7) Full Payment to be cleared before the event.
